

Somewhere Only We Know - Lily Allen

SOLO ALL UNISON ALL HARMONY

SOPRANO ALTO BASS

INTRO - 4 bars, 1

I walked across an empty land

I knew the pathway like the back of my hand

I felt the earth beneath my feet

Sat by the river and it made me complete

Oh simple thing, where have you gone?

I'm getting tired and I need someone to rely on

I came across a fallen tree

I felt the branches of it looking at me

Is this the place we used to love?

Is this the place that I've been dreaming of

Oh simple thing, where have you gone?

I'm getting old and I need something to rely on

And if you have a minute why don't we go

Talk about it somewhere only we know?

This could be the end of everything

So why don't we go

Somewhere only we know?

Somewhere only we know?

Ah-ah

Ah ah ah

Ah ah

Ah ah ah

Oh simple thing, where have you gone?

I'm getting old and I need someone to rely on

So tell me when, you're gonna let me in

I'm getting tired and I need somewhere to begin

And if you have a minute why don't we go

Talk about it somewhere only we know?

This could be the end of everything

So why don't we go

Somewhere only we know?

Somewhere only we know?
